

There are very few emergencies that cannot be handled at home until your next visit. Please call during office hours to determine if you need an additional appointment.

EMERGENCIES

SWOLLEN AREA/WIRE STUCK IN LIPS OR CHEEKS

These are considered true emergencies. Please call for an immediate appointment so that your orthodontist can examine it.

URGENT APPOINTMENTS

LOOSE BAND (A) | BROKEN ARCHWIRE | PROTRUDING WIRE/METAL TIE (B)

If experiencing any of these issues, please call to make an appointment before your next scheduled one so that the issue can be resolved.

NON-URGENT APPOINTMENTS

BROKEN BRACKETS (C) | INVISALIGN ATTACHMENT OFF | LOOSE BRACKETS OR WIRES

If experiencing any of these issues, please call to verify if you need to come in before your next scheduled appointment.
